

ILLI 100-240V LARGE

Cable with Schuko Plug

APPLICATIONS

LED lamps Nik Light - Led Security - with flexible arm and adjustable head, allow to rapidly and easily direct the luminous flux. They are equipped with powerful LED and are available with power supply 24V-AC/DC and 100÷240V-AC., 3W luminous efficiency and protection class IP 65

Their flexible arm and the articulated head make this product suitable for industrial activities, thus ideal for installation on working and/or control stations, CNC machines, assembly laboratories, benches for the production of electronic parts, thanks to the localised lighting.

VOLTAGE:

100÷240V-AC with LED driver built-in the base and cable with Schuko plug

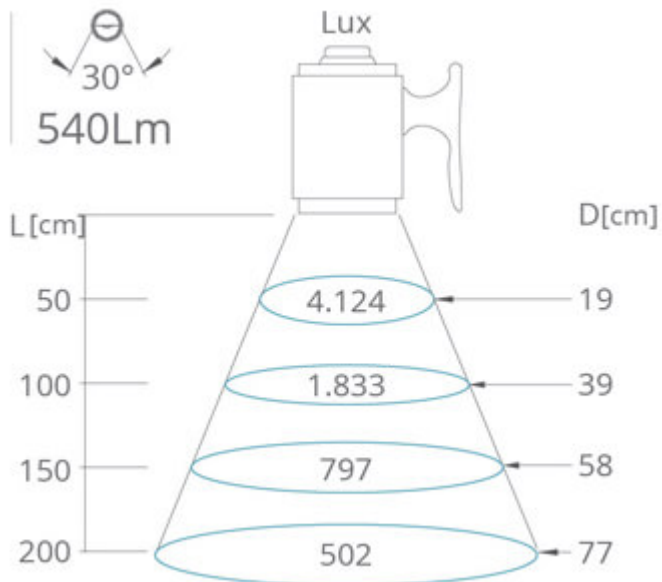

STANDARD:

30° LED Module

OPTIONAL ACCESSORIES:

neutral glass, clamps, angle plate and magnetic base
