

MINI Z 100÷240V-AC - 3W - IP65

Cable with Euro A10 Plug

APPLICATIONS

Mini Z lamps, suitable both for table and wall installation, allow to direct the luminous flux thanks to the flexible arm, further to the possibility of setting the luminous angle between 10 and 80 degrees. They are equipped with powerful LED and are available with power supply 24V-AC/DC and 100÷240V-AC., 3W luminous efficiency and protection class IP65.

Thanks to the flexible arm and the adjustable light cone, this lamps are suitable for precision industrial activities, such as working and/or control stations, small manual machine tools, eyewear and jewellery laboratories.
