

WIDE1 P 100-240V AC - IP67 - 40W

WIDE1 P version with cable clamp

Cable with Schuko Plug

APPLICATIONS

Thanks to the careful development of a design oriented to versatility, Nik Light - Led Security - series offers linear lamps for ceiling and wall installation, which ensure the uniform and shadowless lighting of environments and machine tools. They are equipped with powerful LED and are available with power supply 24V-AC/DC and 100÷240V-AC, 20W - 40W luminous efficiency and protection class IP67.

These complementary LED lamps are equipped with mounting brackets adjustable till max. 160°, so

that it is easy to direct the luminous flux.

All extruded parts and the side plastic caps are manufactured with high performance materials, which allow these lamps to be installed in particularly difficult environments: high resistance to vibrations, shocks and chemical agents, such as oil, cooling lubricants and dust.

POWER AND LENGTH OPTIONS:

WIDE1-202 with 2 Sets of LEDs (No.96) for a total 40W

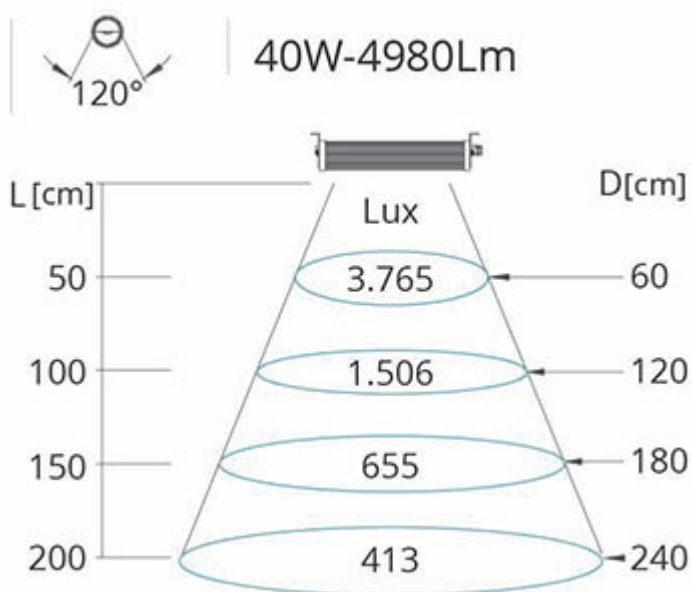

VOLTAGE:

100÷240V-AC with cable clamp and cable with Schuko plug

STANDARD:

built-in LED driver and tilting mounting supports

STANDARD 120° LED MODULE

WXLED

40W
